

HORSE CARE ASSISTANT POSITION

At Chagrin Valley Farms, we believe some of life's best moments and memories are created - anywhere there are horses -- at a barn, in the ring, or on a trail.

Established in 1982, Chagrin Valley Farms is a well-established, 85-acre equestrian facility that offers riding lessons, boarding and hosts shows throughout the year. We specialize in all levels of hunter/jumper training, instruction and showing. We are a team of horse enthusiasts dedicated to the care, appreciation and education of horses. Our goal is to teach people of all ages to communicate effectively with horses in a safe and fun environment.

Today, we are a rapidly growing, entrepreneurial family business with a high-performing, driven team. We hold ourselves accountable to our numbers, our people, and our community.

Position Summary:

Responsibilities include, but are not limited to:

- Grooming and tacking/untacking horses for scheduled lessons
- Supervise and Instruct children and adults while they groom/tack/untack for lessons
- Assist with care of school horse tack and equipment (cleaning bridles/saddles, etc.)
- Ride school horses of all levels to help school them (dependent on experience)
- Lunge School horses as needed
- Opportunity to teach lessons (dependent on experience)

Qualifications:

- Must be of 18 years of age or older
- Previous horse handling experience
