## Horse Lovers Holiday Vacation Camp

With Thanksgiving behind us, it's time to think about the holidays and how the kids will spend all that vacation time. Chagrin Valley Farms has the answer for four of those days. The Holiday Horse Camp offers riding, educational non-riding horse activities and daily horse care from 9 am to 2 pm for all four days (\$300), or any combination of dates (\$90 per day) Thursday, Dec. 27, Friday, Dec. 28, Wednesday, Jan. 2, and Thursday, Jan. 3.

Space is limited and filling fast for children ages 4 to teen. To register complete the flyer [here](#). For questions, call Sue Ford at 440-543-7233 or [sueford@chagrinvalleyfarms.com](mailto:sueford@chagrinvalleyfarms.com)

## Never too Old for the Gift of Horses

To illustrate that you are never too old to enjoy the gift of horses just ask 29-year-old Ashley from Newton Falls. Last Christmas Ashley, got an amazing gift made possible with a Chagrin Valley Farms Gift Certificate. "My two best friends asked me to take this quiz of 'have you ever' and when I responded that the two things I've never done was fly in a helicopter or ride a horse, they surprised me with Christmas gift cards for both so I could check both firsts off my bucket list," she explained.

In January Ashley arrived at Chagrin Valley Farms for her first horseback riding lesson by helicopter. "I have always wanted to ride but I just never had the opportunity. I am truly lucky to have the friends that I do," she added.

"Ashley rode Melvin and the lesson went better than expected for a first rider. Not only did Ashley have a positive experience, she walked, trotted and even steered Melvin over a pole on the ground," said CVF Lesson Manager Sue Ford.

## Horse Lovers Gift Certificates are Perfect for Giving

Last year a number of parents and grandparents purchased CVF gift certificates for holiday and birthday gifts. The gift certificates can be purchased in any amount and designated how the gift-giver wants them to be used. One generous grandmother purchased three lessons for each of her grandchildren to enjoy over spring break.

Summer camp sessions are also a popular choice and another grandma purchased a week of camp for each granddaughter. The gift was so popular, the following year she teamed up with another grandparent to share the gift and gave two weeks of camp for each child. One child chose the half day camp while the other rode in full day camp then committed to working the rest of the summer as a camp assistant when her session ended.

CVF Camp Mascot Mini Moose with his friend Abby are ready for the holidays!
